

MENS CLUB NEWSLETTER OCTOBER 2023

We are nearing the end of our 2023 Men's Club season with only two tournaments left to play in October. The first tournament will be on Thursday October 5. This will be our "Fall Classic" and will be a team game. You can pick your own Partners or let the pro shop pick for you. The game is the best 36 net scores of all four players through 18 holes. However, you must decide which balls you count before teeing off on the next hole. This has always been a fun tournament and a popular one with our players. The next tournament and final one for our season will be on Thursday October 19. This is a new one for us, this year, and is our "Men's International Invitational Classic Championship" or better known as the MIICC. The tournament will be a four-person scramble and again you can pick your team or let the pro shop pick. It's been a great season and I would like to take some time to thank our 2023 Board for all the work that they have done to make this season such a success. I especially want to thank Kevin Andel, our tournament director, for all the work he has done in setting up and running our tournaments. If you have a chance, please let him know how much you appreciate his efforts. As we look forward to next season, it is now time to get an application and pay for the 2024 year. Between now and December 31, 2023, your dues are only \$35. After January 1 and before March 31, 2024, the dues will increase to \$40. After April 1 2024, the dues will be \$45. You can get a copy of the application in the pro shop. I want to let everyone know how much I have enjoyed serving you as President this past year and how much I have enjoyed playing a round with you. I look forward to seeing you all on the course.

Bernie Tillottson President
